Sir:

In response to the Office action of June 21, 2007 (Paper No./Mail Date 20070526), and further to the filing of Amendment “A” dated September 21, 2007, please amend the above-identified application as follows.¹

Amendments to the Specification begin on page 2 of this paper.

Amendments to the Claims are reflected in the listing of claims which begins on page 4 of this paper.

Remarks/Arguments begin on page 10 of this paper.

¹ Please note that the submission of this Supplemental Amendment corrects various typographical errors in the previous response and the Specification. More specifically, on page 1 of Amendment “A” the phrase “Amendment to the Drawings” has been changed to “Remarks/Arguments.” The other typographical changes to the Specification as outlined below are self explanatory. Since these minor changes do not affect the substance of the previous response, Applicants respectfully submit that the previous Amendment filed on September 21, 2007 was timely filed.
